### Parents are...

- Their child's first teacher
- Our greatest resource
- The source for encouragement and strength
- The main example of leadership

### Live Lessons

Live lessons will occur daily at a scheduled time. We will have Morning Meeting Live and That's a Wrap. Small groups will be scheduled after assessments have been completed. Whole Group Lessons will cover one subject area per day and will vary.

### Daily Schedule

9:00-9:30	Morning Meeting Live
9:30-10:30	Small Groups Live
9:30-10:45	Recorded Lessons
	Scheduled Small Groups
10:30-11:30	Whole Group Lesson
<b>1:00-2:00</b>	<b>Office Hours</b>
3:00-3:30	That's a Wrap Live

## Brain Breaks

Be sure to take a little break between lessons. This will allow students to stay focused and engaged during their lessons. Break  
• Brains will be built in to your Daily PowerPoint. But you can add breaks if your child is losing focus.

Set a timer so he/she knows when class will begin again. Please do not schedule a break during Live Meetings/Lessons

## Feeling Overwhelmed??

There is a ton of information coming your way and some things may change. Please be flexible and don't hesitate to ask questions. This is new for everyone and we are in this together 😊

## How do you get into Teams?

Go to the Onslow County Schools Website and click on the Microsoft 365 icon (the little computer on the right side of the screen). Your child will login using your child's name and @student.onslow.k12.nc.us at the end (jenniferdodaro@student.onslow.k12.nc.us) and their password is the same one as their Clever Account.(when you pick up their devices you should also receive a login sheet. Once in 365 click on the Team icon. When you login to Teams you should see an invitation for our class. Please be sure to join!

## How to turn in your work

- Most of your work will be turned in automatically through Pearson's or iReady.
- Some assignments will be turned in on Teams (These will probably be paper/pencil assignments that you will need to take picture of and upload).
